

PROTECT YOUR GREATEST ASSET

YOUR INCOME

- *What happens if you have an accident outside of working hours, or become ill?*
- *Can you retain your lifestyle without a wage to support it?*
- *Did you know an accident or illness outside of working hours is not covered under Work Cover?*

THERE IS A SOLUTION TO PROTECTING YOUR FUTURE

Sickness & Accident Plans pay a weekly income to a claimant to allow him/her to continue to meet financial commitments while recovering. You can cover up to 85% of your weekly earnings for an average weekly payment of \$**.** - **.** (depending on your benefit & occupation).

- * The benefit payment period for any one condition is 104 weeks for people up to 60 years of age.
- * Claimant's payments are made fortnightly and can be paid by direct EFT into your nominated bank account.
- * Premiums for Sickness & Accident Plans can be paid via payroll deduction on a weekly, fortnightly or monthly basis.
